

Presentations: Children, Travel, Health and the Built Environment – Australian Research Council Discovery Grant (DP1094495)

Babb C, Burke M, Tranter P (2011) Developing neighbourhood 'walkability' indices for children's active transport. *World Planning Schools Congress*. Perth (WA): 4-8 July.

Babb C (2011) Measuring the Built Environment for Children: A theoretical perspective. *State of Australian Cities Conference*, Melbourne (VIC): 29 November–2 December.

Babb C, Curtis C (2013a) Evaluating the Built Environment for Active Travel to School. *Australasian Transport Research Forum (ATRF)*, Brisbane (QLD), 2-4 October

Babb C, Curtis C (2013b) Access, Health and Independence: Children's Quality of Life and Walkability. *State of Australian Cities Conference*, Sydney (NSW): 26-29 November

Burke M (2013) Influences on children's travel behavior: preliminary findings from the CATCH and iMATCH projects on Australian primary school children. Public and industry presentation at *University of Queensland*, 5 March

Burke M, Curtis C, Whitzman C, Tranter P (2013) Are master-planned New Urbanist suburbs a 'solution' for sustainable travel to schools? Comparing children's travel in select Australian primary schools. *State of Australian Cities Conference*, Sydney (NSW): 26-29 November

Cook A, Whitzman C, Tranter P (2011) Developing visual research tools to 'do planning' with children: 10 lessons from a methodological review. *State of Australian Cities Conference*, Melbourne (VIC): 29 November–2 December.

Cook A, Whitzman C, Tranter P (2012) We're Gonna Make this Place Good for Kids! Redesigning Plazas with 'Citizen Kid'. *Association of American Geographers Annual Conference*, New York City (NY), USA, 24-28 February

Cook A (2012) Voting with the feet: is there a relationship between independent mobility and children's citizenship. *National Child-friendly Cities Conference*, Bendigo (VIC), 1-2 May

Cook A (2013) Rethinking Children, Citizenship and Cities. *Stepping out with Citizen Kid. VicHealth Research into Practice Seminar*, Melbourne (VIC), 14 August

Cook A, Tranter P, Whitzman C (2013) If I come back in a few years and nothing has changed, I'll be MAD!: Lessons in co-planning with children from the CATCH/iMATCH 'Citizen Kid' Planning Group. *State of Australian Cities Conference*, Sydney (NSW) 26-29 November

Schoeppe S, Duncan M, Badland H, Oliver M. (2011) Are free range kids healthier? Associations of independent mobility and active travel with health outcomes: A systematic review. Poster presentation at the *2011 Annual Meeting of the International Society for Behavioural Nutrition and Physical Activity*, Melbourne (VIC), 15-18 June

Schoeppe S (2011) Are free range kids healthier? Associations of independent mobility and active travel with health and social factors in children. Oral presentation at a *PhD Student Workshop organised by the Centre for Physical Activity and Nutrition, Auckland University of Technology*, Auckland, New Zealand, 30 June

Schoeppe S, Duncan MJ, Badland H, Oliver M, Curtis C (2012) Using travel diaries for measuring children's independent mobility and active travel – Examples and experiences. Oral presentation at *Be Active 2012/4th International Congress on Physical Activity and Public Health*, Sydney (NSW), 31 October-3 November

Schoeppe S (2013) Physical inactivity in Australian children – why we should encourage them to walk, cycle and play outdoors. Oral presentation at a *Central Queensland University 'Research Unplugged'* community event, Rockhampton (QLD), 18 April

Schoeppe S, Duncan MJ, Oliver M, Badland H, Browne M (2013) How independently mobile are Australian children? Examining associations between independent mobility and physical activity. Poster presentation at the *2013 Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity*, Ghent, Belgium, 22-25 May

Schoeppe S (2014) Physical activity and sedentary behaviour in children - the role of independent mobility. Oral presentation at the workshop on *Children's Champions – A Community of Practice*, Rockhampton (QLD), 24 February

Schoeppe S, Duncan MJ, Badland HM, Oliver M, Browne M (2014) Associations between children's active travel, physical activity and sedentary behaviour: Imputing missing survey and accelerometer data. Poster presentation at the *5th International Congress on Physical Activity and Public Health*, Rio de Janeiro, Brazil, 8-11 April

Wati K, Burke M (2012) Children's Cycling in Australia: A Review of Determinants, the Role of Social Connectedness and Implications for Policy and Practice. *Australasian Transport Research Forum (ATRF)*, Perth (WA), 26-28 September

Wati K, Burke M (2013a) Children's Cycling Trends, Accessibility to and Utilisation of Urban Facilities in Selected Australian Urban Environments. *Australasian Transport Research Forum (ATRF)*, Brisbane (QLD), 2-4 October

Wati K, Burke M (2013b) Children's Cycling for Transport in Selected Australian Urban Environments: Modal shares and determinations of significance. *State of Australian Cities Conference*, Sydney (NSW) 26-29 November

Whitzman C (2011) Research on walkability: the CATCH/iMATCH project. *Promoting Liveability through Walkability Conference*, Melbourne (VIC), 28 June

Whitzman C, Tranter P (2012) Children's independent mobility, active travel, and perceptions of local environments: 'outside time' and urban citizenship. *Association of American Geographers Annual Conference*, New York City (NY), USA, 24-28 February

Whitzman C (2012) Child-Friendly Cities: what are we really talking about? *National Child-friendly Cities Conference*, Bendigo (VIC), 1-2 May

Whitzman C (2012) Increasing Density: maximizing the benefit, minimizing the harm. *Heart Foundation of Australia (Victorian Chapter) panel*, Melbourne (VIC), 17 August

Whitzman C (2012) Are we designing healthy communities? *Aquatics and Recreation Victoria annual conference*, Melbourne (VIC), 23-24 August

Whitzman C (2012) Building inclusive cities: planning tools that promote the right to a city. Public Lecture, *UCLA Luskin School of Public Affairs*, Los Angeles (CA), USA, 14 December; *Wellesley Institute on Urban Health*, Toronto (ON), Canada, 18 December; *Concordia University*, Montreal (QC), Canada, 21 December

Whitzman C, Tranter P (2013) CATCH/iMATCH results: is there a link between children's independent mobility and active citizenship? *Stepping out with Citizen Kid. VicHealth Research into Practice Seminar*, Melbourne (VIC), 14 August
